Mr. Voorhees' Card.

"Contrary to his usual custom"-a custom, we have no doubt, cotablished by the immemorial usage of a long and illustrious life of political warfare, Mr. Voorhees publishes a card in the Terre Haute Jour | he quoted from Thomas Jefferson and othnal of Tuesday. We are sorry he depart | ers to show the horrid light in which they | in 1849, declared that Compromise "Caned from his "usual custom" and did so foolish a thing as to publish a card .-When, and how, and where and under what circumstances be has established a custom of not "ruplying to newspaper at tacks" we are at a loss to know. Within the last few weeks, if we are not much mistaken, is the first time in the history o Mr. Voorbees, that a "newspaper" ever hangred him with an "attack," and we do assure him now . I that it is no particular individual ment of his that has prompted the press to direct the public eye towards him, but only from the fact, that he is the candidate of of the Democratic party for Congress in this District. But for that, the Republican press would have as little to do with, or care as little about Mr Voorbeen-what he said or did, as can posibly be imagined. The inordinate egotiem which characterises the sentence-"contrary to my usual custom in regard to newspaper attacks," is truly laughable when coming from a young politician, hardly yet dry behind his political ears, But these are times when great men, like mushrooms, spring into full development

INCENDIARY TALK -- The following is

Mr. Etheridge said, in general review of been swept from Asia and Europe, and -[N. Y. Tribune. Corwin expose all this, and expound with Constitution and the police of the land tobacco States of the American continent; that Jesus Christ preached to slavetrines taught by either wing of the Demo- holders there, and they had given up their slaves; and wherever slavery had been word of Mr. Corwin's great South had always got her rights. She had the South, or cause her to resist the inauhim more, from having seen and heard guration of Lincoln. He said there was not. And, so far as his election would affeet the South, it would be the same as if Bell was elected. In either event there would be an era of general prosperity; prop erty would rise; the treasury would be fill ed, and the price of negroes would go up .coin had never said anything harder against slavery than Thomas Jefferson, and regarded slavery.

LF the news from Nelson and Voor bees, at Newport, is very flattering toward the former gentleman. The Repub licans are in the best of spirits and Democracy down in the mouth. Evidently Mr. Voorhees has not studied the great issues of the day, and hoped to get through the canvass by humbugging the people -Mr Nelson puts fact after fact to him, and Mr. Voorhees flounders most wonderfully.

Nelson leads the race most gloriously and there can hardly now be a doubt of his STRANGE .- It is singular that the Journal did not announce the Hon. Tom. Corwin as an Abelitionist. The Local considers all Abolitionists who do not desire to extend Slavery over all the Free Territory of the country, or who are opposed to that system of Negro Equality and amalgama tion so extensively practised by Slave halders, of which system Col. R. M. Johnson
